28 October 2019

**Jeevan Pramaan - Digital Life Certificate for Pensioners**

Pensioners are required to furnish a "Life Certificate" to the Pension Disbursing Agency (PDA) in November every year either by presenting themselves personally or by delivering a life certificate in the prescribed format duly attested by a Gazetted Officer. The requirement to produce this certificate causes huge hardships particularly to the aged and or / infirm pensioners.

**Digital Life Certificate for Pensioners Scheme of the Government of India, known as the Jeevan Pramaan (JP)** seeks to address this very problem by digitizing the whole process of securing the life certificate. It enables the pensioner to generate a digital life certificate using a software application and secure Aadhaar based Biometric Authentication System. The **Digital Life Certificate (DLC)** so generated is stored online & can be accessed by the pensioner & the Pension Disbursing Agency as and when required by them.

As a Digital India initiative to facilitate Pensioners, Ministry of Electronics & Information Technology (MeitY) has launched Jeevan Pramaan portal - <https://jeevanpramaan.gov.in/>. Now the pensioner need not visit office of Disbursing Agency for physical submission of Life Certificate and may use the Aadhaar enabled Biometric authentication mechanism to generate Digital Life Certificate.

**Advantages of Digital Life Certificate (DLCs):**

- ✓ It may be generated from anywhere including home if the Windows / Android based device is having an Internet and STQC certified Bio metric device connected to it is available.
- ✓ Auto SMS to pensioners regarding DLC.
- ✓ Auto transfer of DLC to Pension Disbursing Agency.

- ✓ Sending SMS by Pension Disbursing Agency after processing.

The Jeevan Pramaan uses the Aadhaar platform for biometric authentication of the pensioner. For the DLC generation the pensioner needs to have Internet Connectivity, a biometric device (list of supported devices is given on the Jeevan Pramaan portal) and JP Windows/Android Client Application Software for PC/Mobile/tablet which can be downloaded from the Jeevan Pramaan portal: <https://jeevanpramaan.gov.in/>

### **Pre-Requisites for Digital Life Certificate Generation**

- The pensioner must have a Aadhaar number
- The pensioner must have an existing mobile number
- Registration of the Aadhaar number with Pension Disbursing Agency (SCTIMST) should have been done already
- Biometric device (list of supported devices is given on the JP portal)
- PC with Windows 7.0 & above Android Mobile/Tablet 4.0 & above
- Internet Connectivity

Pensioner can download the JP application (Generate DLC themselves) from the JP Portal <https://jeevanpramaan.gov.in/app/download> & install client application on android based smart Phone/tablet or Windows PC/Laptop for DLC generation.

OR

Pensioner can visit any nearest Centre (having facilities for digital services) The All India List of such CSCs (name & address) in various States across India is available on JP portal.

Once the certificate is generated, the Pramaan ID is sent in a sms to the pensioner for further use (print). The Digital Life Certificate or the Jeevan Pramaan can also be electronically delivered to the Pension Disbursing Agencies. The PDAs can access and view the Life Certificate on the Jeevan Pramaan website and also download the same. The Pensioner can have the DLC available not only at the time of DLC generation but the same can also be downloaded as a PDF copy from Jeevan Pramaan website (<https://jeevanpramaan.gov.in/>) by using the generated Jeevan Pramaan ID or Aadhaar number.

**The Institute is implementing Jeevan Pramaan from November 2019. All Pensioners /Family Pensioners are requested to make use of this facility positively and be a part Digital India initiative.**

As a pre-requisite, those Pensioners / Family Pensioners of SCTIMST, desirous of availing the Jeevan Pramaan facility must ensure that they have submitted their Aadhaar number with the Institute and verify the basic details required for Jeevan Pramaan through their personal login in Pensioners' Portal of the Institute - <https://www.sctimst.ac.in/PensionersPortal/>. Corrections required if any shall be brought to the notice of the office of the undersigned at [accounts@sctimst.ac.in](mailto:accounts@sctimst.ac.in).

It is also informed that the Digital Life certificate is an add-on facility to the existing way of submission of Life Certificate.
